STIPULATED MOTION AND
ORDER FOR CONTINUANCE OF
TRIAL DATE

I. STIPULATED MOTION

The parties, by and through their respective counsel, agree and stipulate for a trial continuance pursuant to Fed. R. Civ. P. Rule 6 and LCR 10(g) to October 9, 2023, or to a date soon thereafter that is convenient on the Court's calendar, and to amend the case scheduling order accordingly. The parties respectfully ask the Court for this brief continuance based on the facts below.

1. A jury trial is scheduled to begin on May 9, 2023, with a discovery cutoff deadline of January 9, 2023. Plaintiff's medical providers have now recommended a cervical surgery that has been delayed, the surgery will require additional recuperation. In order for the parties to complete the necessary discovery and in order to allow plaintiff to heal, the parties agree that a continuance is necessary.

2. Furthermore, additional time will allow the parties to engage in meaningful alternative dispute resolution through mediation.

3. This is the first requested trial continuance in this matter, and this should be the only continuance requested.

4. The parties agree that a new Case Schedule should be issued.

For the above reasons, the parties respectfully ask the Court to grant their stipulated request for a trial continuance to October 9, 2023, or to a date soon thereafter that is convenient on the Court's calendar, and respectfully ask the Court to amend the case schedule accordingly.
